

Please do not expand the LPFM service to allow LPFM stations to take priority over current FM translator services. We listen to K-LOVE on FM 89.3 in Bismarck, ND, and it would indeed be a sad day if we were to lose this radio station. K-LOVE is one of the few stations today that all members of a family (from the very young to old) can listen to without fear of hearing something obscene or inappropriate. Please don't replace K-LOVE. K-LOVE is positive and encouraging and one of the few things in our society that is TRULY family friendly.
